

MERLOT 2006

DENOMINATION: Collio DOC Merlot

GENERAL INFORMATION: Attems Merlot is a product of a very particular process. The wine matures in one- and even twice-used oak barrels, and microoxygenation in the barrels ensures the complete development of the wine's aromatic potential. On the palate, in fact, this is a very full, well structured wine, with a touch of spice, exhibiting a classic freshness all its own.

VINTAGE REPORT Spring was chilly and fairly rainy, followed by a summer that was hot and dry in its first half and then cold and wet in the second half. These conditions slowed down the normal ripening process in some vineyards, with pH values slightly lower than average. Sugar levels were good, however, somewhat above the averages of the last two years. Harvest began a few days earlier than in 2005, but still within historic norms for the Collio. In general, crop levels were down slightly compared to 2005, but fruit quality was excellent.

TASTING NOTES:

A lively, purple-flecked red greets the eye. The bouquet releases a rich medley of fragrances, first herbaceous impressions such as aromatic herbs, then aromas of ripe fruit, everything in masterful balance. On the palate, it is delicious and savoury right from the start, then nicely expansive, with judicious tannins well integrated into a structure that is impressively supple yet firm. The finish is clean-edged and long-lingering.

SERVING SUGGESTIONS: Pan-fried rabbit and chicken with vegetables, roast lamb, thick soups with sausage or Italian pancetta or sausage.
